

SUPPORT OPERATIONS GOALS

Support operations, which include custodial, grounds and maintenance services, transportation services, cafeteria services and various office services, are essential to the successful functioning of the school district. Education is the district's central function, and all support operations shall be provided, guided, and evaluated with this function in mind.

In order to provide services that are truly supportive of the educational program, the Board of Education sets these goals:

- A. Promoting and recognizing continuous improvement of support operations;
- B. Promoting supervisor and staff examination and use of support operations data to establish priorities for continuous improvement;
- C. Providing community members with clear, concise reports on support operations;
- D. Recognizing staff efforts to make support operations more effective and efficient for all associated with Peru CSD and the community we serve.
